

Summer Recreation Schedules Readied

Schedules for the summer recreation program for Torrance were being prepared by the Recreation Department this week for distribution throughout the city prior to June 22, opening date of the schedules.

A cooperative venture of the Torrance City Council and the Board of Education, the program is administered by the city's Recreation Commission.

Highlights of the summer activity will be the annual Kiwanis Club-sponsored swim program at Alondra Park and the formation of a specialty club which will offer free instruction in tap dancing, rhythms, tumbling, baton twirling, and other skills.

Supervision of the city's 11 playgrounds will be offered from June 22 through Aug. 29, according to Recreation Director Frank Carpenter.

Playgrounds Listed
Playgrounds available include Torrance Park, McMaster Park, WALTERIA Recreation Park, El Retiro Park, Torrance High School, and the Greenwood, Fern Ave., North Torrance, Crenshaw, Perry, and Seaside Elementary Schools.

Most playgrounds will have supervisors on them between 10 a.m. and 4 p.m. The High School facilities will be available from 10 a.m. to 4 p.m., Monday through Saturday for teen-age programs only.

Special events, such as doll week and pet parades will be scheduled at each playground, and schedules will be posted at the playgrounds.

The annual Alondra Park swim program will begin July 14 and continue through Aug. 20. Children between the ages of 6 and 12 will be able to participate in this Tuesday-Thursday program. Parents of participating children must register at the playground closest to their homes.

The specialty club will meet five times a week, twice at the Torrance Park Band Shell, twice at the Civic Auditorium, at McMaster Park, WALTERIA Park, and El Retiro Park.

Registrations to the class will

Inter-City Shuffleboard League Formed in Area

Representatives from six coast area shuffleboard clubs met at the Torrance Adult Recreation Center Wednesday and an inter-city Shuffleboard League was formed, and plans are being readied for a double round robin of play for the summer months, commencing on Saturday, June 20.

Shuffleboard clubs represented were Bixby Park and Auditorium Park Clubs of Long Beach; Lincoln Park Club of Santa Monica, Venice, and Torrance. It is hoped that Lincoln Park Club of Long Beach will fill out the league of six.

Paul Myran, of Venice, was elected president, and Frank Carpenter, Torrance, will act as secretary.

Rotarians Slate Dinner Dance

A combination "demotion" and promotion of old and new officers will be combined with a dinner dance by the Rotary Club of Torrance June 25, when members and wives will gather at the semi-formal affair scheduled to be held at the Palos Verdes Country Club.

Old officers who will be demoted are Don Armstrong, president; John Ebbinghouse, secretary; and A. E. Thompson, treasurer. They will be replaced by Jack Dabbs, president; Don Hyde, secretary, and Bob Leech, treasurer. Carl Warner will remain vice president of the group.

The new board of directors will be comprised of Armstrong, Dabbs, Ebbinghouse, Thompson, Warner, Judge John Shidler, William A. Zoeller, George Post, and the Rev. Cecil England, of the First Christian Church.

Harvey Denied TV Channel 58

A petition by Lawrence Harvey, vice president of the Harvey Machine Co., for a television channel to be assigned to Beverly Hills was denied this week by the Federal Communications Commission, probably on technical grounds, according to Joseph Brenner, Harvey's attorney.

Because Beverly Hills had not been assigned a station, Harvey petitioned the FCC to allocate Channel 58 to the residential area.

Harvey has also asked for permission to build Channel 34, as have two other applicants, and an FCC hearing to allocate this channel will be held at an undetermined date, Brenner said.

His client will probably attempt to obtain a TV channel for Beverly Hills later, under a new ruling, according to Brenner.
